

Twist Grip™ Cap

Flambeau Fluid Systems introduces the Twist Grip Cap, an ENHANCED version of their current 2.25" (5.71 cm) Engineered caps.

- Non-ratcheting
- Comfort feel grip
- New style and modern design
- Lighter weight
- Made for non-fuel applications
- Made of nylon
- Customization available, including different colors and printing options
- 4 types of venting available: thread vent, top vent, various controlled vent and unvented

This new Twist Grip cap is also available for Diesel applications, please contact Customer Service by phone or e-mail listed below for more information.
