

8 Gallon Multi-Purpose Tank

Flambeau Fluid Systems is excited to introduce a redesigned 8 gallon (30.28 liter) tank which shares the same convenient, compact shape, and 3.50 inch (8.89 cm) threaded neck size as the popular 5, 6, and 7 gallon (18.93, 22.71, and 26.50 liter) multi-purpose tanks do.

This blow molded multi-purpose tank is available in both natural and black HDPE and offers excellent durability and resistance to most chemicals and fluids.

The 8 gallon tank can be customized with your company logo utilizing any one of our popular decorating capabilities including pad printing, screen printing, hot stamping, and in-mold labels.

Whether your need is just an 8 gallon tank, tank and cap combination or full tank assembly, this redesigned 8 gallon tank is the solution you've been looking for.

8 Gallon Multi-Purpose Tank

- 8 Gallon (30.28 Liter) Capacity
- Made of HDPE, Natural or Black in Color
- 3.50 Inch (8.89 cm) Threaded Neck (Spec. S-10283)
